

A Royal Affair

Summer Dance with Diane Cournoyer Dance Center

Northborodance.com

Join us for an adventure through fairy tales as we dance our way through beloved stories like Cinderella, Elsa, Belle, or more!

We will dance, play, craft, and most importantly make new friends and have fun!

Please wear dance clothes or clothes that are easy to move in. Of course you're also invited to wear your favorite dress up clothes over that!

Also bring your favorite snack for break time.

We will end the week with a royal performance at our last pick up time!

This program is designed for dancers with or without experience
